Captain Neill Brantly, USN
Office of CNO, Room 2713
Navy Department
Washington 25, D. C.

Dear Neill:

Thank you for your note of 15 December enclosing the record of [REDACTED]

[REDACTED] has been in to see us and indicated that he could not accept a position below grade CAF-14. We have looked into our vacancy situation at the grade CAF-14 and 15 levels and find that there is no opening for which [REDACTED] background and experience will fit him. He is being informed directly to that effect.

I am always glad to receive recommendations for individuals who may be very well qualified to work with us, and appreciate the interest you have indicated in this agency.

Sincerely,

Roev,

The attached is a
brief of
qualifications.

Although I have known
him for twenty odd
years I would not
make any representations
unless it was my belief
he has worthwhile qualifications
and ability.

As I told you he is

right guy and a man
of the highest integrity.

I am sure General
Gregory, U.S.R. (Ret) will
vouch for him.

S, thanks

Bill Brantly
